

May 2014

Dear

Please plan on attending a required "Pre-AP Biology" meeting either during 3rd lunch 5/22 or 5/23 or after school on 5/28 or 29.

Attendance at **one** of these sessions is mandatory if you want to take AP Biology next year.

The meeting will be short (under 30 minutes) and will cover summer work and requirements.

If you cannot make one of these four sessions you **MUST** get in touch with Dr. Gottfried before 5/28 to make other arrangements to get the information.

If you sign up for the "Remind101" service, I'll send you SMS text messages (or email) to remind you of the meetings.

Remind101: Either text @drgapbio14 to 469-203-4872 or email drgapbio14@mail.remind101.com. Standard text rates apply. If you use the email option you can leave the subject and body of the message blank.

Link to sign up page: <https://www.remind101.com/join/drgapbio14>

Thank you,

Dr. Gottfried

Ms. Tudor, AP for Science

IMPORTANT NOTE:

IF YOU DO NOT PLAN ON TAKING AP BIOLOGY, PLEASE HAVE THE COURTESY OF LETTING ME KNOW!

IF YOU KNOW OF SOMEONE WHO PLANS ON TAKING AP BIOLOGY WHO HASN'T BEEN "INVITED" TO THESE AFTER-SCHOOL MEETINGS, PLEASE HAVE THEM SEE ME ASAP.
